

Report: Moreton Bay - Wooden

Suburb / Node	Key Risk Category	Compliance Checklist / Metric	Requirements
Burpengary	Raw Material Stockpile & Runoff Management Risk	Retention Basin Sediment Level Audit & Stormwater Runoff pH Test	Install sediment traps to prevent sawdust and organic matter from entering local catchments
Caboolture	Raw Material Stockpile & Runoff Management Risk	Retention Basin Sediment Level Audit & Stormwater Runoff pH Test	Install sediment traps to prevent sawdust and organic matter from entering local catchments
Dakabin	Raw Material Stockpile & Runoff Management Risk	Retention Basin Sediment Level Audit & Stormwater Runoff pH Test	Install sediment traps to prevent sawdust and organic matter from entering local catchments
Kallangur	Raw Material Stockpile & Runoff Management Risk	Retention Basin Sediment Level Audit & Stormwater Runoff pH Test	Install sediment traps to prevent sawdust and organic matter from entering local catchments
Kippa-Ring	Raw Material Stockpile & Runoff Management Risk	Retention Basin Sediment Level Audit & Stormwater Runoff pH Test	Install sediment traps to prevent sawdust and organic matter from entering local catchments
Mango Hill	Raw Material Stockpile & Runoff Management Risk	Retention Basin Sediment Level Audit & Stormwater Runoff pH Test	Install sediment traps to prevent sawdust and organic matter from entering local catchments
Mango Hill East	Raw Material Stockpile & Runoff Management Risk	Retention Basin Sediment Level Audit & Stormwater Runoff pH Test	Install sediment traps to prevent sawdust and organic matter from entering local catchments

Suburb / Node	Key Risk Category	Compliance Checklist / Metric	Requirements
Morayfield	Raw Material Stockpile & Runoff Management Risk	Retention Basin Sediment Level Audit & Stormwater Runoff pH Test	Install sediment traps to prevent sawdust and organic matter from entering local catchments
Murrumba Downs	Raw Material Stockpile & Runoff Management Risk	Retention Basin Sediment Level Audit & Stormwater Runoff pH Test	Install sediment traps to prevent sawdust and organic matter from entering local catchments
Narangba	Raw Material Stockpile & Runoff Management Risk	Retention Basin Sediment Level Audit & Stormwater Runoff pH Test	Install sediment traps to prevent sawdust and organic matter from entering local catchments
Petrie	Raw Material Stockpile & Runoff Management Risk	Retention Basin Sediment Level Audit & Stormwater Runoff pH Test	Install sediment traps to prevent sawdust and organic matter from entering local catchments
Rothwell	Raw Material Stockpile & Runoff Management Risk	Retention Basin Sediment Level Audit & Stormwater Runoff pH Test	Install sediment traps to prevent sawdust and organic matter from entering local catchments
