

Report: Sunshine Coast - Wooden

Suburb / Node	Key Risk Category	Compliance Checklist / Metric	Requirements
Beerburrum	Chemical Timber Treatment & Soil Contamination Risk	Bunded Chemical Storage Inspection & Soil Sample Assay Log	100% containment bunding for all timber preservation chemicals and treatment vessels
Beerwah	Chemical Timber Treatment & Soil Contamination Risk	Bunded Chemical Storage Inspection & Soil Sample Assay Log	100% containment bunding for all timber preservation chemicals and treatment vessels
Elimbah	Chemical Timber Treatment & Soil Contamination Risk	Bunded Chemical Storage Inspection & Soil Sample Assay Log	100% containment bunding for all timber preservation chemicals and treatment vessels
Eudlo	Chemical Timber Treatment & Soil Contamination Risk	Bunded Chemical Storage Inspection & Soil Sample Assay Log	100% containment bunding for all timber preservation chemicals and treatment vessels
Glass House Mountains	Chemical Timber Treatment & Soil Contamination Risk	Bunded Chemical Storage Inspection & Soil Sample Assay Log	100% containment bunding for all timber preservation chemicals and treatment vessels
Landsborough	Chemical Timber Treatment & Soil Contamination Risk	Bunded Chemical Storage Inspection & Soil Sample Assay Log	100% containment bunding for all timber preservation chemicals and treatment vessels
Mooloolah	Chemical Timber Treatment & Soil Contamination Risk	Bunded Chemical Storage Inspection & Soil Sample Assay Log	100% containment bunding for all timber preservation chemicals and treatment vessels

Suburb / Node	Key Risk Category	Compliance Checklist / Metric	Requirements
Nambour	Chemical Timber Treatment & Soil Contamination Risk	Bunded Chemical Storage Inspection & Soil Sample Assay Log	100% containment bunding for all timber preservation chemicals and treatment vessels
Palmwoods	Chemical Timber Treatment & Soil Contamination Risk	Bunded Chemical Storage Inspection & Soil Sample Assay Log	100% containment bunding for all timber preservation chemicals and treatment vessels
Woombye	Chemical Timber Treatment & Soil Contamination Risk	Bunded Chemical Storage Inspection & Soil Sample Assay Log	100% containment bunding for all timber preservation chemicals and treatment vessels
